

I feel that too much control is been put into the hand of too few. We have the right to get ALL sides of an issue. I do not want the rules changed. Changing the rules will not be a benefit the general public, you will only limit our choice of information.

I want rules in order that serve the public interest, rather than the private interest. I oppose taking a vote that leads to more media consolidation. On 6/2/03, I strongly ask you to continue the current ownership rules.
